## *A Message from our President*

Good day to each of our members. Summer is here and we are all moving outdoors, each in our own way. For the club it means it's time for officer elections and outdoor happy hours.

Our election is underway. The ballot names candidates recommended by our Nominating Committee for each office, and provide a second line for write ins. We have reached over the 31 votes required by our bylaws to be official. However, we will leave the online voting open until Monday May 15th and encourage everyone to make their voice heard.

Our Activities Committee is developing several event concepts for the summer & fall. Finding leaders for the events is really important. Would you be interested? Think concepts like an auto rally in the country, followed by beverages and eats at the bar found via the last clue. Our annual Wine & Cheese will be another Fall event.

Thank you to everyone who participated in our western trip survey. With your feedback the club has selected Steamboat for the last week of February & Waterville Valley, VT in early February. Ski trip signups will open to members as soon as details have been resolved. Deb Pentz is looking for member input with respect to a 2024 and/or 2025 trip to Europe.

We had 65 for a casual, fun Member Appreciation party - comments on the event have been very positive. Yes, we'll do it again. Let our Vice President elect know if you'd like to be part of the planning team. There was also good turnout for the Stoneleigh tour & brunch this past weekend.

Our indoor tennis members completed another successful season with 45 participants. Last week we welcomed members home from our very popular Annual Tennis Hilton Head Trip.

We hope to see you, and a friend, at an event soon.

They offer gluten-free and wheat-free items to include in each course.

The Warren Tavern – a spacious soapstone bar was relocated to the original spot of the old tavern from the 18th Century. The Springhouse Terrace {outside} – is a year-round heated space.
