Pool Party!!

Check the calendar for more information on the 8/4 MLSC Pool Party + 7/14 Pool Party with the Tirolers!

Message from the President

Hopefully all of you are set for summer. MLSC sponsors walks, bike rides, happy hours, wine & dines, cultural events, and at least one pool party through the warm months. In addition, we are sharing information on Tiroler Ski Club and certain other club events.

Your club's Board meanwhile is setting 2019 ski travel. Our Western trip will be to Snowmass and reservations are already very strong. At least 5 slots will be available at the September meeting, even if the trip is wait listed at that point. These are slots 38-42.

Announcements regarding New England and Europe are pending. Linda LaChapelle has narrowed her decision to a couple of locations, and would love to hear inputs from potential New England participants. Similarly, Deb Pentz continues to accept recommendations from members interested in travel to Europe.

One of the challenges for MLSC and other clubs is finding trip leaders. Leaders benefit from a comp on most travel and lodging costs, and they accept the challenge of planning and executing a great experience for everyone. We have been blessed with experienced leaders, and they stand ready to help advise any of you expressing interest. Please approach any of the leadership team.

When we get to the Fall and early Winter, you will see some changes in our general meetings plan. September and October will be normal, however we likely won't do another general until the end of the year. Trip info will be at happy hours. Parallel to this, a Christmas party will be introduced - I expect this to be a fun and classy event. We are looking at the first weekend of December. Savings from room rentals will defray a portion of the event cost.

Pennsbury Manor June 10th is Cancelled

Having just made a pre-event visit to make sure that everything was going to go forward as we expected; due to circumstances beyond our control this event is cancelled.

And the Winner is ... Everyone who joined the MLSC May 5th Kentucky Derby Party!

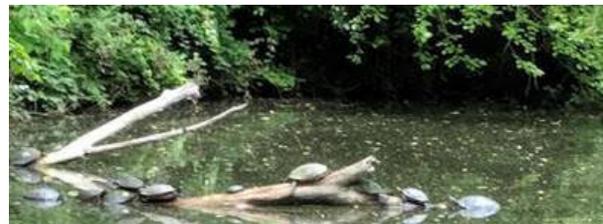

The winner of the Kentucky Derby Race, who bet on Justify, and won the whole pot of money plus one dozen roses with host Kathleen Weisz.

Ladies in the Best Hat Contest & 3 Winners are below!

What a Ride on June 2!

5 miles up the Schuylkill Trail with 3 butt breaks, a chance to see: in the canal 11 turtles on two logs sunning themselves & also a great blue heron; flowering trees & blackberry bushes; and a group of 8 Tiroler & MLSC members taking turns

riding beside different folks and chatting. Wow! 4 different types of thin crust pizza and pitchers of ice cold water at Vecchia in Phoenixville made an ideal lunch. 5 miles, mostly downhill, brought us back to our starting point in the Lower Perkiomen Valley Park where the picture was snapped. No rain & lots of shade, what a super ride!!

Members had a great time May 20th at the Grounds for Sculpture!

Six intrepid Tiroler Ski Club & MLSC members braved the elements (Are you kidding? It was a beautiful day.) to visit Grounds for Sculpture in Trenton. Works of art from the impressionists were recreated in statuary, and more modern sculpture in bronze, aluminium, stainless steel, and a few in other medium were spread over the open grassy & treed grounds

for our pleasure. A tasty lunch was enjoyed under Van Gogh's "Starry Night" in the cafe. It must be a great place since we saw one wedding being held there and another bridal couple there for pictures.

You'll want to visit this spot, and we hope that more of you will take part in both MLSC and Tiroler activities.

Hike on the Green Ribbon Trail

May 3rd

On Thursday, May 3rd seven Tiroler & Main Line Ski Club members did a 3.8 mile loop hike on the Green Ribbon Trail along the Wissahickon Creek.

We hiked in shade & sun enjoying the trees, flowers, and wildlife from the Penllyn Train Station to The Gwynedd Valley Train Station & back.

While in Gwynedd Valley we lunched well & inexpensively at Bocelli's, an Italian restaurant located right in the historic Gwynedd train station.

One of us took the R-5 train to & from Center City. What a neat way to enjoy greenery.
